Lefkada has impressive beaches (such as Porto Katsiki, Kathisma) where, of course, you can still swim wonderfully in autumn! Excursions by boat to Kefalonia, Ithaka, Scorpios as well as dancing, partying and the country and people of this beautiful island to get to know!

Programm *(Subject to change)*

The price also includes the car rental, organization, dance with me, external dance teacher and registration fee (180 €). Remaining car costs such as fuel, tolls, etc. are shared by the passengers.
